CSWE NEWS

NEWS FROM THE CSWE GROUP WORK TRACK: TIME TO ANSWER THE CALL FOR SUBMISSIONS!

Last year, AASWG and its supporters mounted a successful campaign to keep the Group Work Track at the Annual Program Meeting of the US Council on Social Work Education.

Now, we can continue to advance social work practice with groups by submitting proposals for presentations for the 2012 CSWE Group Work Track at the Annual Program Meeting from November 9-12 in Washington D.C.

The submission window closes on Monday, February 27, 2012, at 11:59 pm (USA ET). There are numerous types of Peer-Reviewed Presentations at the Conference, as explained online at <http://www.cswe.org/Meetings/2012apm/52081/55168.aspx>.

We had a solid number of papers, poster, workshops and special events in Atlanta as summarized in [this PDF document](#). This year we look forward to further expansion of the Group Work Track - and hope that you and your colleagues will participate in making this happen.

Please feel free to circulate this information through your networks, and feel free to call on Alex Gitterman (alex.gitterman@uconn.edu) and Carol S. Cohen (cohen5@adelphi.edu), Group Work Track Co-Chairs, with any questions about submitting abstracts. Thank you very much for your ongoing support for group work education and practice.
